Montana Farm Bureau Centennial Wines Order Form

Branding Iron Red

This big, bold red wine was fermented from Malbec grapes harvested from a family vineyard located in the Yakima Valley of Washington. Malbec is the perfect beef-pairing wine with a robust ruby-red color, smart and intense aromas and black fruit - black cherry, over-ripe plum and blackberry on the palate. The lingering finish will satisfy throughout the meal experience.

Windmill White

A very aromatic white wine harvested from premium hand-picked grapes grown in the a Yakima Valley. The off-dry style of this wine serves it well as a cocktail wine while pairing well with lighter fare. Loaded with tropical fruit flavors from first taste to finish, this wine exemplifies the free-spirit of the winds that sweep our Montana prairies. Drink at about 55 degrees.
