

Federal Level Priority Issues

This is a list of topics that we will likely discuss during our Fly-In with our Congressional Delegation, Federal Agencies, and other important stakeholders. Please use one or more of them as your topic for discussion in the Federal Level Priority Issue Persuasive statement.

- Regulatory Reform
 - This is a broad category that includes things like the Clean Water Rule/WOTUS, Endangered Species Act Reform, Wilderness Study Area management, predator control, Electronic Logging Devices/Hours of Service Rule, etc.
- Trade
 - Ratification of the USMCA agreement, multilateral trade agreements, etc.
- Infrastructure
 - Another broad category including broadband access, Highways, Transportation, Agriculture Research, Ratification of CSKT Water Compact, irrigation systems, etc.
- Agriculture Labor
 - Immigration Reform, Education, Recruitment of skilled workers
- Federal Lands
 - Forest Service and Bureau of Lands Management, grazing, multiple use, national parks etc.
